CONDITIONS OF APPLICATION FOR LEASE

The Security Deposit I have made in application for the residence of said premises will be refunded to me if this application is not accepted within 5 days. This deposit will be held in escrow until such time as the lease is terminated and property vacated. Cost of necessary repairs or replacements shall be deducted from the security deposit at termination of the lease. Under no circumstances will this deposit be considered a part of the rent.

In the event I withdraw my application prior to acceptance or rejection of it by the agent or owner, I understand this deposit is **not** refundable.

In the event that this application is accepted by the agent or owner within 5 days, I agree to execute a lease when tendered to me. If I fail or refuse to execute a tendered lease, the entire security deposit may be retained by the agent or owner as liquidated damages for their efforts in processing this application, holding the premises open on my behalf pending approval of this application, and making the necessary investigation of my character and reputation. I understand that there will be a credit report fee of \$25.00 (\$40.00 joint application) which is not refundable in any case. No agreement except contained herein will bind either the applicant, agent, or the owner.

In the event the applicant fails to sign the lease and take possession, nothing shall prevent the Landlord from recovering such additional damages occurred as a result of the Breach of this Agreement.
